Validity of the system

ANMEC, AC respects the 99% availability offered with respect to remote access to the system, 24 hours a day and 365 days a year to students enrolled in this program who pay the single fee. However, since not HE has control about the decision of the supplier of lay off he use of the server and No can hold this cost and benefit, ANMEC provides two alternatives: A) It limits itself to charging a single fee, and in its case giving the fee payment facility monthly of the access. B) in he case of the suspension of the service by of SAP I some of their subsidiaries in he world either of SAP IDES, ANMEC will reimburse the proportional part not used.

Responsibility Civil

ANMEC reserves the right of admission in case of considering inappropriate behavior on the part of students participants within the program. At ANMEC we may cancel or deny any request and reserve the right admission at our discretion. Students who engage in unethical or appropriate behavior will be contacted and notified of his low and will be reimbursed in the part proportional of days that No have used he access.

Availability of schedules

Since we will attend to all possible requests and the groups have a maximum size of 25 users, we will be able to to form new groups in new schedules by it which he start of each course I the continuation of these could delay

between 10 and fifteen days skillful, depending of the amount of users to schedule and the roles technical of users in he system. ANMEC will automatically notify of some change of groups in if necessary.

Prices and dues of recovery (Associations civilians)

ANMEC attempts to provide accurate pricing information, however, typographical errors may occur. In In case of any misunderstanding, ANMEC has the right, at its sole discretion, to partially or totally cancel any application of inscription to the program either to a course in particular. ANMEC will contact to the student for notify of the error and report the correction. This does not will happen with the students let them pay your share only.

ANMEC seek provide always the costs of share of recovery it further exact possible, without embargo, due to factors As the variation in the peso-dollar parity could affect this cost, it is therefore recommended to cover the quota only by he access and receive he benefit of the scholarship to the 100% in the courses that you be possible take during this period.
